## Purposes

### Функциональные файлы cookie **Enabled**

Функциональные файлы cookie строго необходимы для предоставления услуг магазина, а также для его правильного функционирования, поэтому отказаться от их использования невозможно. Они позволяют пользователю просматривать наш сайт и пользоваться различными опциями или услугами, которые на нем существуют.

Cookie	Provider	Purpose	Expiry
PHP_SESSID	security24.ee	The PHPSESSID cookie is native to PHP and allows websites to store serialised status data. On the website it is used to establish a user session and to pass state data through a temporary cookie, which is commonly known as a session cookie. These Cookies will only remain on your computer until you close your browser.	Session
PrestaShop-#	security24.ee	This is a cookie used by Prestashop to store information and keep the user's session open. It stores information such as currency, language, customer ID, among other data necessary for the proper functioning of the shop.	480 hours

### Advertising Cookies **Enabled**

These are cookies that collect information about the advertisements shown to users of the website. They can be anonymous, if they only collect information about the advertising spaces shown without identifying the user, or personalised, if they collect personal information about the user of the shop by a third party, for the personalisation of these advertising spaces.

### Analytics cookies **Enabled**

Collect information about the user's browsing experience in the shop, usually anonymously, although sometimes they also allow the user to be uniquely and unequivocally identified in order to obtain reports on the user's interests in the products or services offered by the shop.

**Performance cookies** Enabled

These are used to improve the browsing experience and optimize the operation of the shop.

**Other cookies** Enabled

These are cookies without a clear purpose or those that we are still in the process of classifying.
